# MARINEREGULATIONS

A maritime solution for offices and vessels which need to keep an up-to-date library of important rules and regulations.

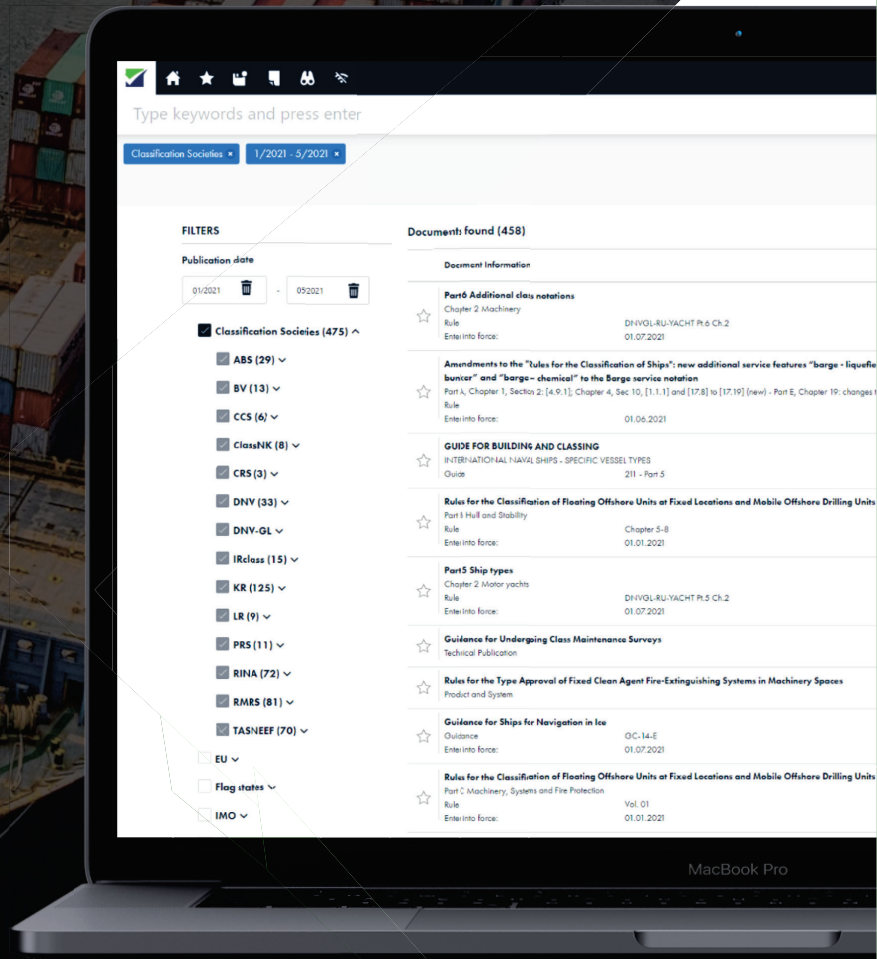

**Save time**

**Minimise risk**

**Stay up-to-date**

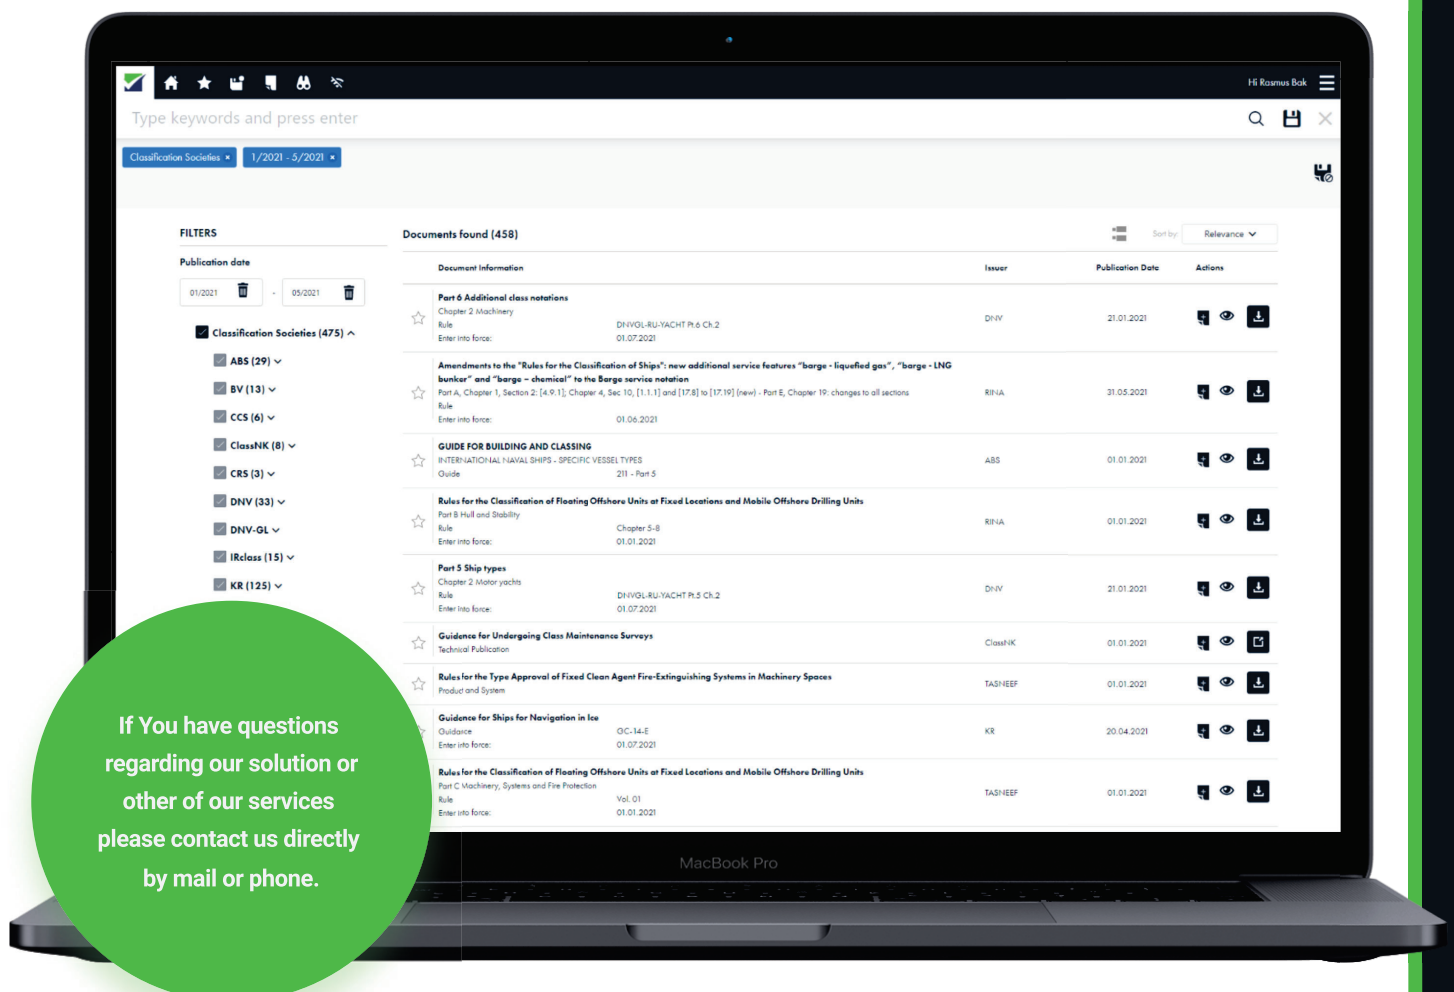

# Stay ahead with MarineRegulations

MarineRegulations is full of features to help companies stay organised.

The system is maintained by our regulatory experts, freeing the responsibility from company employees.

- **Advanced Search & Filtering**  
Search within the database using keywords, sentences and filtering by categories.
- **My Documents**  
Save and organize documents directly from your profile.
- **Notifications**  
Set-up personalised notifications. Receive updates daily, weekly or monthly.
- **Reports**  
Export document information easily.
- **Upcoming Legislation**  
Look ahead at future changes. A dedicated page for upcoming legislation.
- **Offline Documents**  
Save documents for offline-use. Works on PC, mobile and tablet.

# An overview of the library

The most comprehensive collection of maritime regulatory documents,  
always kept up-to-date.
